

SharePoint Deployment Planning Service Vouchers

What is SharePoint Deployment Planning Services (SDPS)?

If you have an enterprise software agreement, you may have a voucher which can be redeemed for Microsoft consulting services from a qualified Microsoft SharePoint partner. In fact, you may have access to this consulting time and not realize it, Microsoft has reported that only 5% have been redeemed?

This program is designed to put your organization in contact with a Microsoft partner who will be able to develop customized SharePoint 2010 deployment plans. This flexible offer allows you to focus on relevant scenarios based on your own unique needs.

There are different packages which you can select from:

Microsoft SharePoint 2010 Upgrade Planning

To help customers who have already deployed Microsoft SharePoint 2007 discover the value of upgrading to Microsoft SharePoint 2010, and build a customized migration plan.

ISHIR offers:

- A comprehensive introduction to Microsoft SharePoint 2010
- Thorough understanding of upgrade process as it relates to their deployment
- Awareness of the upgrade "costs" and benefits (immediate/future)
- A customized migration plan for deployed workloads

Microsoft SharePoint 2010 Internet Business Planning

The last several years there has been increased customer demand for a unified solution that can provide end-to-end capabilities for managing the Web content publication lifecycle in support of globalization and localization of sites. Microsoft SharePoint 2010 provides a unified platform for streamlining brand and IT management while enabling individual agility for business users.

ISHIR offers:

- Establish an Enterprise Platform for Web Content Management
- Increase IT Manageability and Efficiency of Web Solutions
- Simplify the Content Publication Lifecycle
- Integrate and Extend WCM Solutions

What is the cost?

All Microsoft SDPS Offers include 1, 3, 5, 10 or 15 engagement days depending on the customer SA benefit level. The Microsoft SDPS consulting days come as part of your licensing agreement, so there is no additional cost. Furthermore, ISHIR is currently running a promotion for eligible organizations to augment the Microsoft SDPS with free ISHIR consulting. To see if your organization qualifies for this offer, please contact us and specify SDPS.

About ISHIR

ISHIR is a global diversified outsourced IT services company and we make outsourcing successful for our clients.

We assist our clients to achieve their business objectives by successfully outsourcing their non-core business processes and functions in the areas of technology and digital marketing.

We have been part of the outsourcing industry since 1999 and have successfully implemented strategic offshore programs in the areas of custom software development, software product development, casino game development and outsourced digital marketing production services to India. ISHIR has been servicing clients thousands of miles away, maturing into a core dependable extension of a client's internal team.

ISHIR has extensive experience in providing outsourcing of non-core business processes - **IT functions** (Custom Software Development, Software maintenance, SharePoint consulting and development, mobile app development, software testing, Remote Managed IT services, Cloud and Software Virtualization solutions), Interactive (web design and development, game development), Managed Web Hosting, setting up Built Operate Transfer (BOT), specialized R&D facilities, and **non-IT functions** (Digital Marketing (Search Engine Optimization, Paid Search, Display and Social Media marketing services) Business Process Outsourcing (Data Entry, Data Cleansing, Lead Generation, Research, Photo Editing, Online Customer Support, Finance)).

We have vast experience in offshore outsourcing and have matured into a dependable outsourcing partner providing substantial value and savings to our clients, often exceeding up to 65 percent. We leverage our people, processes and effective use of technology to catapult our clients to achieve their business potential.
